**Saint of the Week**

We must direct all our thoughts, words and actions to His honor; and by prayer, counsel, and good example seek His glory solely, whether for ourselves or for others, so that through our means all may love and honor God.

- St. Catherine De Ricci (1522-1589), Prioress, Feast Day February 13

**Flavor, Preservation, and Purity**

Jesus said to his disciples: “You are the salt of the earth. But if salt loses its taste, with what can it be seasoned? It is no longer good for anything but to be thrown out and trampled underfoot.” [Matthew 5:13](#)

Sodium chloride, also known as salt, is one of the most commonly used substances in the world, used for seasoning, preserving, and purifying. Sodium chloride is a very stable compound and cannot lose its flavor unless there is a chemical reaction or dissolution. Why, then, did Jesus suggest that salt could lose its taste? One likely explanation is that the salt used in ancient Palestine could indeed lose its flavor due to impurities and the conditions in which it was stored.

The Dead Sea, located in modern-day southeast Israel, contains a massive deposit of salt and other minerals. According to biblical history, Lot’s wife was turned into a pillar of salt in this region. Because of the vast salt and mineral deposits, the area surrounding the Dead Sea is desolate.

Salt extracted from the Dead Sea was never pure sodium chloride. Gypsum and other minerals were also present, making the salt impure. If this salt were stored improperly or came into contact with water, the sodium chloride could dissolve and wash away, leaving behind the solid residue of minerals. These residual substances, like gypsum, had the appearance of salt but were tasteless and useless for flavoring, preserving, and purifying purposes. When this happened, the “salt” lost its taste. In light of this explanation, Jesus’ teaching becomes especially clear.

The first notable feature of salt is its ability to add flavor to food. By calling His disciples the “salt of the earth,” Jesus was instructing them to enhance the “flavor” of the world by bringing the truth of the Gospel and the joy of His message to others. A Christian life lived in fidelity to Christ would make the world a better and more virtuous place, just as salt enhances the flavor of food.

Salt is also commonly used for preservation. Before the age of refrigerators and freezers, salt was mixed with food to prevent corruption, by drawing out moisture and hindering bacteria and other microorganisms. Though this practice is still used today, it was especially vital in ancient times. By being the “salt of the earth,” Jesus was calling His disciples to preserve the world from moral decay. Through their witness and proclamation of the Gospel, they were to act as a preservative against sin and spiritual ruin. If they were to “lose their taste,” they would become indistinguishable from the rest of the world and ineffective in their mission. Hence, Jesus was exhorting them—and us—to avoid becoming watered down and bland in our witness to the Gospel.

Lastly, salt held a significant role in Jewish religious practices, symbolizing purity and consecration. In sacrificial rituals, salt was used to consecrate offerings, as commanded in Leviticus: “You shall season all your grain offerings with salt. Do not let the salt of the covenant with your God be lacking from your grain offering. On every offering you shall offer salt” ([Leviticus 2:13](#)). By seasoning their offerings with salt, the Israelites preserved the sacrifices from decay, making them pure. This practice reflects the disciples’ role in purifying the world through their example of holiness, their lives of self-sacrifice, and their participation in Christ’s redemptive work. They were to live lives of integrity, leading others to God through the purity of their hearts and their unwavering commitment to His will.

Reflect today on this powerful metaphor of being the salt of the earth. The world desperately needs the enriching “flavor” of God’s grace. Without Him, the world is left to corruption and decay. With God, we, and those we serve, are preserved as pure and holy offerings, adding to His glory and growing in holiness. Be the salt of the earth. Do not become watered down in your faith. Remain steadfast in your fidelity to Christ and His Gospel, and you will transform the world around you. In doing so, you will not only glorify God but will also share in His eternal joy.

*Most pure and enriching Lord, You alone enrich and enhance our lives, preserve us from sin, and make us a pure offering to Your Father. Please use me to be an instrument of Your grace to the world, making me the “salt” that remains pure and effective, to bring Your saving truth to the ends of the earth. Jesus, I trust in You. **SPIRITUAL BOUQUET FOR 2026 ORDINANDIS’**

A **Spiritual Bouquet** is a beautiful offering of prayers—Masses, Communion, Rosaries, Stations of the Cross, Eucharistic Adorations, Sacrifices, Novenas, and other devotions—made for a particular intention. This year, we invite you to offer these prayers for the seminarians of St. Augustine’s Seminary who will be ordained to the priesthood and make their vows in 2026. These offerings are **not monetary gifts**. They are the heartfelt prayers and devotions you personally undertake—such as attending Mass or praying the Rosary—and lovingly offer for this intention. Though the seminarians cannot hold this gift in their hands, they carry it deeply in their hearts and minds. We encourage you to participate by offering as many Masses, Communion, Rosaries, and other prayers as you are able. Any Mass or devotion you attend during the week or on Sunday may be offered for this intention, even alongside your other personal intentions. The Ordinandi consistently express how meaningful this Spiritual Bouquet is to them. They look forward to receiving it each year, grateful and strengthened by the knowledge that they are being held in prayer as they prepare to serve the Lord in their new vocation. **Sign-up sheets are posted at the back of the church.** Thank you for your generous and prayerful support of these soon-to-be ordained priests and seminarians.

**2025 Parish Tax Receipts** are being processed. You will receive them by mail at the address in our system, by Monday February 16<sup>th</sup>. If you do not receive them by end of February, please contact the office.

Thank you for your generosity.

**Important Reminder - Offertory Envelopes**

Please do **not** use envelopes from previous years. If you cannot locate your assigned envelope box, contact the office for assistance.

If you pick up a new box, complete the enclosed registration form and return it to the office so the box can be properly assigned to your household. This process must be done manually in our system and is **not** automatic.

Using mixed or incorrect envelope numbers creates confusion and may cause concern about whether donations are being correctly credited to your account.

Your cooperation in helping us keep our records accurate and organized is sincerely appreciated.
