

Forever Young Life teen night

# Forever Young Night's Goal

- The goal of *Forever Young!* is for teens to enter into Lent through:
  1. The imagery of Ash Wednesday and ashes.
  2. To inspiring them to view the liturgical season in a new way.

# KEY CONCEPTS

1. Ash Wednesday is the beginning of Lent and a day that reminds us of our death through the use of ashes.
2. Throughout salvation history, ashes have been a symbol of penance; they are used during Lent to remind us of the importance of repentance.
3. Recalling our own death at the beginning of Lent helps us to consider how we are living, decipher what sins we are struggling with, and commit to reconciling our relationship with God.

# Opening Game

## Why are you in my chair?

In this game, the teens move around in a circle jumping from chair to chair, while the person in the middle, attempts to get into a chair before the person can sit down.

Remember Lent is a time to clean out the distractions in our lives

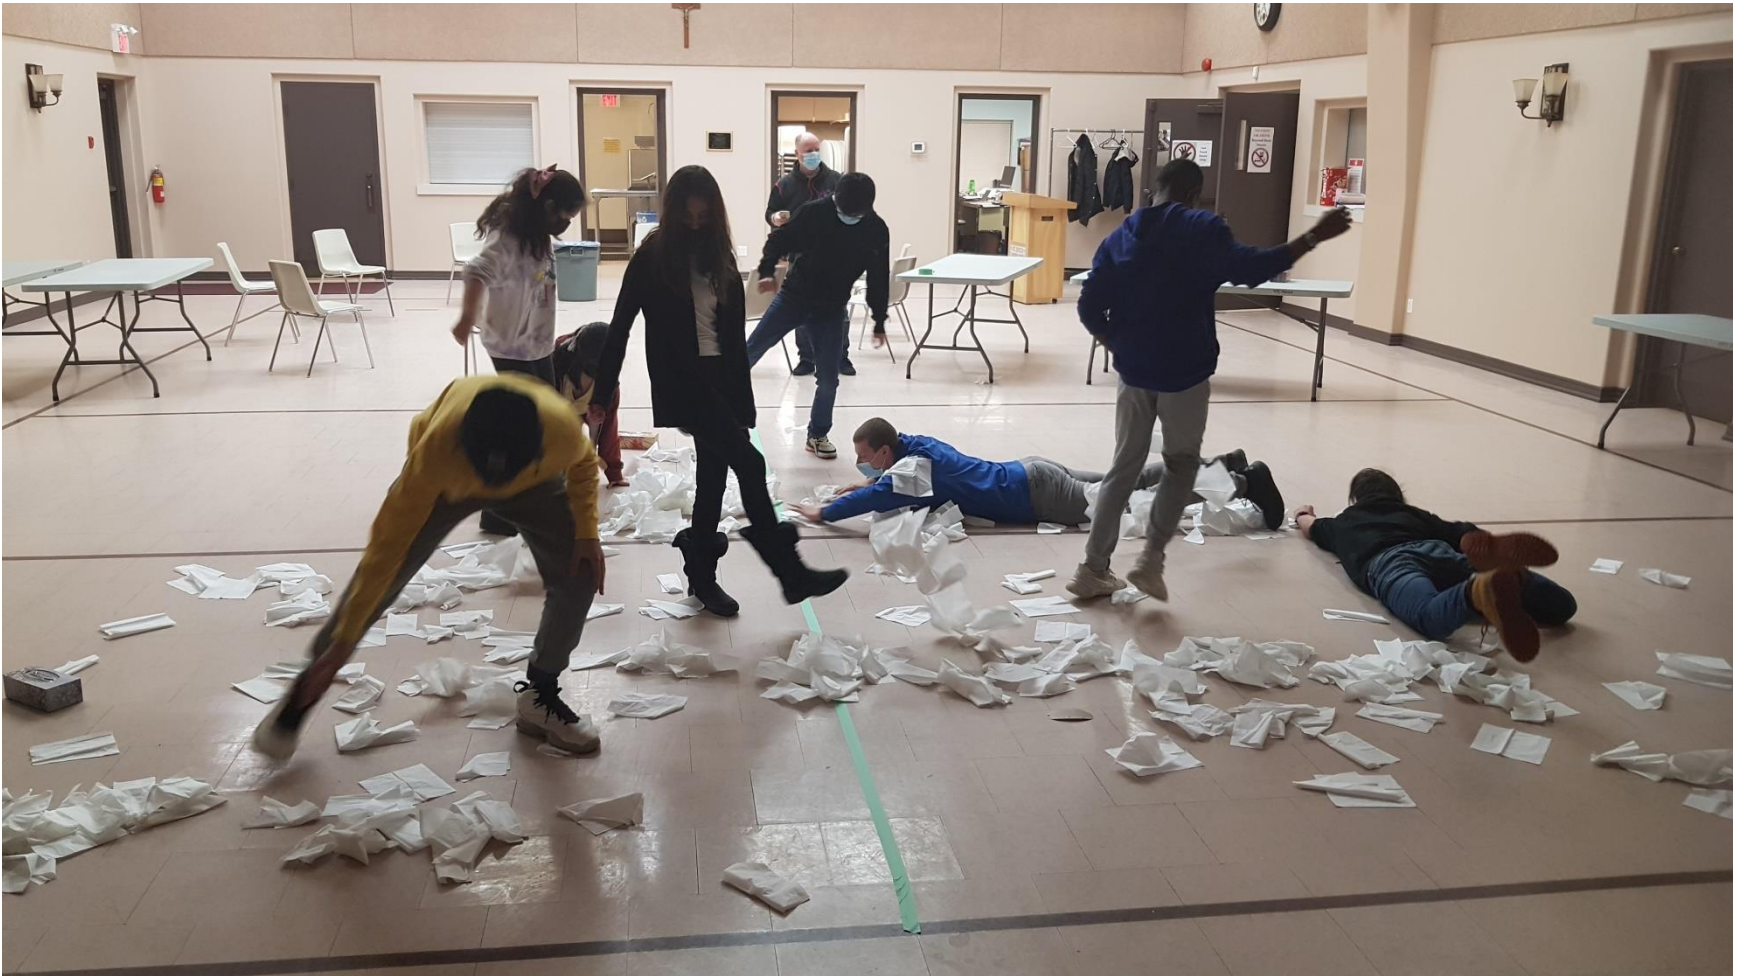

Clean it out is a game where the teens must use only 1 hand while their partner uses 1 foot to push the tissues from their area to another groups area. The goal is to clean out their area the most in a specified amount of time.
